Road Network Questionnaire for future transport partners

BERGER places great value on a relationship based on partnership with its transport partners. The transport companies working for us are selected according to strict quality criteria and are introduced to the quality standards of Berger Logistik through regular consultation and training. Fairness and high-quality services form the basis of a long-term and successful partnership.

With the signing of this form you also confirm the following points:

1. 1.You are using only vehicles that are suitable for transportation, that meet all legal and official regulations and that have all the necessary transport licenses which are obligatory for executing the transport orders. Appropriate maintenance and service works at your trucks have to be done according to a documented and anticipatory maintenance planning.
2. 2.You only use drivers for the transports that are entitled to carry out the transports in accordance with the regulations of the countries in question, in particular those regulations detailing the employment of foreigners.
3. 3.All employed drivers are getting a regular training by the employer and there is a valid intra-company ban of alcohol and drugs.
4. 4.The following additionally applies for transports from, to, through and within Germany: (German act against illegal employments in freight transport = GüKBillBG):
 - a) a.You must have the necessary transport permits and authorizations in accordance with §§ 3,6 transport of goods act (GüKG) et seq. (permit, eurolicense, third-country permits, CEMT authorizations).
 - b) b.You are required to employ foreign drivers from third-party countries who have the necessary work permit. You are required to ensure that drivers have an official certificate and an officially certified translation into German in accordance with §7b section1 clause 2 GüKG et seq. and that they carry these with them during each journey.
 - c) c.You are required to hand over to the contracting party all mandatory documents on request of the contracting party for inspection.
 - d) d. You are required to include this obligation to produce documents and the other obligations mentioned above in the freight contract with freight carriers working for you and you may only employ such freight carriers that reliably fulfill the requirements of §§ 3,6 and 7b GüKG et seq. You are required to check that the freight carrier working for you adheres to these regulations.
